

The KCHA Outlaws are pleased to announce the creation of a Squirt and Bantam All Star team. These teams will practice every other Thursday starting September 27th through the second week of March. Games for the All Star teams will be scheduled and paid for by the team on a not to interfere basis with the NPSHL schedule.

Squirt All Stars

Our Squirt All stars will be comprised of those players who are playing squirt house hockey and have the ability and desire to play at a more competitive level. This team will have an additional practice every other Thursday night during the entire hockey season after the completion of tryouts. The Squirt All Stars will be responsible in scheduling their own games and/or tournaments through out the season on a not to interfere basis with the squirt house schedule. KCHA will only be charging those players who make the Squirt All stars for additional practices. Costs for all games and tournaments scheduled will be the responsibility of the team. Tryouts for Squirt All stars will be 22nd and 23rd of September and will cost \$50 for two separate tryouts. Only players who attend the tryouts will be considered for the Squirt All stars team roster. The team will be selected by the coaching staff and KCHA evaluators.

Bantam All Stars Program

The Bantam All Stars will consist of players currently registered in the Bantam House Program. Players on this team will pay an additional \$225 and practice every other Thursday night starting at the completion of tryouts. The purpose of this team is to allow players with the ability to compete at a higher level an opportunity to do so. Additional games and tournaments shall be scheduled by the team staff. Games and tournaments are not included in the price of the team. The Bantam All Stars may have the ability to compete for the state championships at the end of the season if they meet all required qualifications and the team desires to compete. Any player wanting to be part of the All Star team must attend tryouts on the 22nd and 23rd of September. The cost will be \$50 for two separate tryouts. Only players who attend the tryouts will be considered for the Bantam All stars team roster. The team will be selected by the coaching staff and KCHA evaluators.

If your are interested in trying out for this program please print out a registration form from the web site, fill it out and bring it in with a check for \$50 on the first day of tryouts.

All players on the ALL STAR team must be registered with one of the house teams to be eligible. The entire \$225 All-Star fee must be paid in full upon your selection on the All-Star team.
